

**VANTAGE PLASTIC
SURGERY**

February 7, 2024

Hello Jennifer,

It was a pleasure to speak with you yesterday. I know that making the decision to have an elective procedure is a difficult one and it is important to me that you have all of your questions answered.

We discussed a lip scar revision with subcision under local anesthesia and one session of dermal filler up to 1mL. The cost for this scar revision procedure is \$1,600. Please note that if additional dermal filler injections are needed a separate fee applies. The cost for each dermal filler injection is \$1,200 up to 1mL of filler.

Kindly note that if you decide to move forward with the procedure, we will need a 20% deposit to confirm your surgical time slot. Any remaining balance is due two weeks prior to surgery via bank wire or bank check. If you would like, I will have someone from our staff give you a call later in the week to ensure that all of your questions have been answered, or you can always contact my office at (212) 951-1877.

Sincerely,

Aleksandr Shteynberg
